SECRET

Item I. Tables for IAP

25X1A [REDACTED] reported that ONE required a review of certain tables in the IAP study. DIA agreed to review the revised tables submitted by Air Force.

25X1A Item II. Briefing on [REDACTED] 25X1B

[REDACTED] reported to the Committee on recent developments.

Item III. SIC Contribution to NIE 11-6-64, Soviet Capabilities and Intentions with Respect to Biological Warfare

The Committee agreed that an interdepartmental study on the subject would be produced subsequent to the NIE exercise.

The draft contribution was reviewed in detail and modified considerably in a couple of sections. It was agreed to leave in certain details as essential background for the drafter. The Secretary was asked to incorporate the suggested changes and provide a new draft for further review.

Item IV. SIC Contribution to NIE 11-8-64, Soviet Capabilities for Strategic Attack

25X1A [REDACTED] reported on the schedule for producing this NIE. Contributions are due in ONE by 27 July for the 23 September USIB target date. DIA and SICELSUBCOM have been asked to prepare the basic drafts for SIC review.
